Directions to Sandcastle Competition:

Imperial Beach is the most Southwesterly city in the continental United States. It is located approximately 14 miles south of San Diego and 4 miles North of the Mexican border. From Northern California take interstate 5 south, past downtown San Diego. You can take either of the Imperial Beach exits; Palm Avenue (state highway 75) or Coronado Avenue, *which becomes Imperial Beach Boulevard* at the city limits. On either exit, take a right (West), and drive West toward the beach. The Pier Plaza area is reached via Seacoast Drive, which parallels the pacific ocean, midway between Palm Avenue. and Imperial Beach Blvd. (*Coronado Ave.*).
